

School Literacy Mission

The School aims at providing education to maximum number of people and to open doors for the underprivileged, unlettered population of the country.

Bhatnagar International School pioneers the spirit of philanthropy, altruism and humanitarianism. For over a decade, it has adopted the neighbouring slum of masoodpur and is relentlessly engaged in spreading literacy, Knowledge, learning and impoverished section of dwellers.

Class VII onwards, student are engaged in 'Each One Teach One' project of the school. Till Date over 4,000 untutored have been made literate.

The unschooled are also provided vocational training which has contributed in making them economically independent and self reliant. Stitching, tailoring, beauty culture and computers are some of the skills taught to them.

The school is marching ahead in accomplishing the pilot national mission and there seems to be no looking back...
